

Reception Curriculum Booklet Summer Term 3.2

Communication and Language

What will we be learning about this half term

We will continue to learn new poems and stories.

We will be talking about non-fiction books to develop a deep familiarity with new knowledge and vocabulary.

Keywords

Poem

Rhyme

Retell

Story

Fiction

Non-fiction

What you could do at home

Look at some non-fiction and fiction stories with your child and discuss the differences between the texts.

Ask your child to perform their favourite poem, song or story for you.

Useful Websites

Personal, Social and Emotional Development

What will we be learning about this half term

We will be learning to regulate our behaviours according to different situations.

Set and work toward simple goals.

Work and play co-operatively, taking turns with others.

Keywords

Co-operate

Playing with others

Turn taking

Regulating behaviours

What you could do at home

Ask your child to set a simple goal they would like to achieve this week and work together on how they can achieve it.

Useful Websites

Physical Development

What will we be learning about this half term

This half term in our PE sessions we will be developing our skills to progress towards a more fluent style of moving, developing control and grace.

We will also demonstrate strength, balance and co-ordination when playing.

Keywords

Balance

Co-ordination

Control

Strength

What you could do at home

Play games with your child that would encourage their balance, co-ordination and control such as dribbling a football.

Useful Websites

Literacy—Writing

What will we be learning about this half term

We will be moving on to phase 5 phonics whilst continuing our knowledge of phase 2,3 and 4 sounds to help us write unknown words in our sentences. We will be using our harder to read and spell words in sentences, ensuring we spell them correctly. We will anticipate key events in stories.

Keywords

Harder to read and spell words your children will learn this half term.

Oh, their, people, Mr, Mrs, your, ask, should, would, could, asked, house, mouse, water, want, very.

Please practise these at home.

What you could do at home

Using the homework sheets each week, practise the spelling of the harder to read and spell words. Encourage your child to put these words into a sentence. When writing sentences your child should be using a capital letter, finger spaces between words and a full stop at the end of their sentence.

Useful Websites

Literacy—Reading

What will we be learning about this half term

We will continue to use our knowledge of phase 2,3 and 4 sounds to read words in sentences and captions. We will now move on to phase 5 to further develop our reading skills. We will use our knowledge of harder to read and spell words to support our fluency in reading.

Keywords

Harder to read and spell words your children should now know:

I, a, the, no, put, of, is, to, go, into, pull, his, buses, he, as, we, me, be, push, was, her, my, you, as, she, her, you, my, they, are, all, ball, tall, what, when, said, come, have, do, one .

Please practise at home.

What you could do at home

Your child will bring home a guided reading book each week. Please read this book each night for the 4 nights they bring it home. This will improve their blending and also their fluency in reading.

Useful Websites

Mathematics

What will we be learning about this half term

The children will be learning number bonds for numbers 0 – 10.

Explore and represent numbers within patterns up to 10 including odds and evens, doubling facts and how numbers can be shared equally.

Keywords

Numbers

Number bonds

Odds

Evens

Doubling

Sharing

What you could do at home

Practise counting with your child number bonds to 10.

Complete the weekly maths homework.

Using objects or your fingers, with your child, explore doubling facts and sharing equally.

Useful Websites

Understanding the World

What will we be learning about this half term

We will be exploring natural processes such as shadows being cast.

Recognise some environments that are different from the one in which they live.

We will learn all about space, planets and the moon landings.

Keywords

Shadow

Light

Dark

Environment

Space

Planets

Moon Landings

Astronauts

What you could do at home

Walk to the park, looking for signs of summer. How does summer feel?

Watch videos of the moon landings and read books or talk about things in space. Research facts about the different planets.

Useful Websites

Expressive Art and Design

What will we be learning about this half term

This half term we will be building on all of the skills we have learnt during reception.

We will use paper mâché and colour mixing skills to create planets.

We will create shadow and silhouette pictures.

We will join materials together to build rockets.

Keywords

Paper mâché

Collage

Shadow

Silhouette

Join

Mix

What you could do at home

Using no longer needed items at home create together with your child props to support your own imaginative play at home.

Create planets and rockets using junk modelling materials.
