To match numeral to quantity.

Please find attached some number cards and cards with dots. Can you cut them out, count the dots and match them to the correct numeral.

First try one to five next try five to ten.

Week Beginning: 6.05.24

Key skills

To find familiar logos outside of nursery and draw them on the logo sheet.

Can you identify some logos on a walk? What did you see? Are there any logos in your house?

Here is an example of some logos which begin with 'A'.

Week Beginning: 13.05.24

Key skills

To look after our seeds at home which we planted in nursery.

In nursery, we have planted some seeds and helped them to start growing by watering them and ensuring they have sunlight. It is important to look after and care for growing things.

We are now sending the plants home for you to carry on looking after. We would love to see some pictures of them once they have grown even more!

Week Beginning: 20.05.24

Key skills

To write our names using the correct letter formation.

On parents evening every child was given their name card to practise their name writing. It is important that we teach children how to correctly form their letters, ready for writing in Reception.

Can you practise name writing with your child. Please use the QR codes to show videos modelling correct letter formation.

Holiday Project 27/05/2024

Next half term we are going to be talking about people who help us. There are lots of people who help us, at home, at school and in our community.

Can you draw a picture of somebody who helps you either at home, or at school.

This could be your teacher, your mummy, daddy, extended family and with your mummy, daddy or a family member talk about how this person helps you.
