

WHO ARE YOUR PASTORAL TEAM?

The Pastoral Team are part of the wider Welfare Team and are available every morning, in the playground at drop off, you are welcome to chat with any one of us at this time. You can also make appointments to speak to us during the day if the mornings are not convenient for you.

We can support you and your family with lots of different things. We have information on many services you can access including, food banks and safeguarding or more personal issues such as domestic violence or SEND concerns. Or if you just have additional concerns about your child's wellbeing please come and let us know and we will do our very best to try to help you.

You can also find us in The Community Hub every

Thursday from 9-10am

Our team consists of: Miss Evans – Pastoral Leader

Mr Cross and Miss Aqil – Welfare Practitioners (Learning Mentors)

It is an expectation that children are in school for 97%+ so please try and make appointments out of school time or if it is absolutely necessary then please ensure your child is in school before and/or after any appointment. If another member of the family has an appointment to attend, you must make alternative arrangements for someone to collect or bring your child to or from school.

If your child really is too ill to attend school, then please call us before 9am to let us know the reason for absence. If school have not had a message from you and we are unable to make contact then we may do a home visit, as part of our safeguarding duty of care. If we are still unable to ascertain the safety of a child we will ask social services or the police to follow up with a safe and well check.

DAILY ROUTINES

Doors open at 8:45am

Register starts to be taken at 8:55am

Please aim to get your child into school for at least 8:50am, this gives them the chance to get into the building and take off their coats and get settled in class.

Gates close at 8:55am Any child arriving after this time is classed as late and will be marked with an 'L' on the register

Our registers close at 9:25am and any child arriving later than 9:25am will be marked as a 'U' (unauthorised late) and will count as an absence on their attendance percentage.

Being late into class can have a detrimental effect on children. Not only do they miss the social catch up with their friends, but they can also miss the start of what they are being taught, depending on how late they are. Being on time can avoid any unnecessary embarrassment some children feel when walking into their class late, and ensure their day starts off as positively as possible.

Attendance Ladder

How many days of learning will your child lose to lateness?

EXTENDED LEAVE

We appreciate the challenges that some parents face if they have family living abroad and an emergency arises. However, please keep in mind that the school does not authorise holidays regardless of whether a contract has been completed or not unless there are proven exceptional circumstances, that has been authorised by the Head of School.

If you are planning to take your child abroad during time-term you must complete a leave request form. These can be collected from the school office.

Penalty Notices

During the last academic year there have been over **100 penalty notices** issued for non-school attendance. This has resulted in parents either receiving a fine or their case being heard in court.

The government have brought out new statutory guidance that school's now need to follow which can be viewed at [Working together to improve school attendance \(applies from 19 August 2024\) \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

COFFEE MORNINGS

The Pastoral Team hold coffee mornings every term! Why don't you look out for our next one and join us? We would love to hear your thoughts on what it is you really want or need from the pastoral team or from school as a whole.

COMMUNITY HUB

We have renamed our Welfare Hub to the more appropriate Community Hub as this is your space. You can come and talk about any worries or concerns you may have. If we are unable to help we can signpost you to other agencies that can.
