

16th September 2020

Dear Parents/Carers,

I am just writing to remind you of a few procedures regarding COVID-19. We are requesting that all parents bringing their child to and from school wear a facemask on the school premises and remember to social distance in the playground particularly at home time.

I have had many questions about siblings attending school whilst a child in their family is self-isolating due to their bubble being closed. This is the advice from Public Health England:

We would like to highlight that:

- It is only necessary to isolate direct contacts of the positive case. The guidance does not require siblings of contacts of the positive case to self-isolate.
- However, if a pupil's household member is symptomatic or has tested positive, the pupil and the rest of his/her household members should be isolated. It is not necessary for the pupil's bubble in the setting to isolate in this circumstance.

Therefore siblings should be attending school **UNLESS** anyone in the household has COVID symptoms.

I have attached a quick reference guide that we received from the local authority to Birmingham schools. I hope that this will help you to understand the rules that are in place. If you are unsure about anything, please phone the school office

Keep safe .

Miss Davies
Head of School

Covid-19 related pupil absence

A quick reference guide for parents and staff (September 2020)

What to do if...	Action Needed	Return to school when...
...my child has Covid-19 symptoms.	- Do not come to school - Contact school to inform us - Self-isolate the whole household - Get a test - Inform the school immediately about the test result	...the test comes back negative or a period of 10 days has passed since the symptoms started, and the child feels well.
...my child tests positive for Covid-19.	- Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 10 days). - Self-isolate the whole household.	...10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. <i>(These symptoms can last for several weeks.)</i> AND the child feels well.
...my child tests negative.	- Contact school to inform us. - Discuss when your child can come back (same day/next day).	...the test comes back negative.
...my child is ill with symptoms not linked to Covid-19.	- Do not come to school. - Contact school to inform us. - Ring on each day of illness.	...after 48 hours following the last bout of sickness or diarrhoea (as per attendance policy)
...someone in my household has Covid-19 symptoms.	- Do not come to school. - Contact school to inform us. - Self-isolate the whole household. - Household member to get a test. - Inform school immediately about test result.	...the test comes back negative.
...someone in my household tests positive for Covid-19.	- Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days). - Self-isolate the whole household.	...the child has completed 14 days of isolation.
...NHS test and trace has identified my child as a close contact of somebody with symptoms or confirmed Covid-19.	- Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days).	...the child has completed 14 days of isolation.
...NHS test and trace has identified a household member (other than my child) as a close contact of somebody with symptoms or confirmed Covid-19.	- The household member must self-isolate for 14 days. - Child can continue to attend school.	...child can continue to attend school
... a sibling attending another school has been sent home to self-isolate due to their being a positive case in their school.	- Sibling must self-isolate for 14 days. - SCHOOL NAME child(ren) can continue to attend.	...child can continue to attend school
... my child has travelled abroad from a country or territory that is NOT on the exempt list of countries.	If returning from a destination where quarantine is needed*: - minimum of 14 days self-isolation for all those who travelled. - contact school to inform us you are back in the country and we will agree an earliest date for possible return to school. - Self-isolate the whole household. <u>*Foreign, Commonwealth & Development Office (FCDO)</u> – for up to date information	...the quarantine period of 14 days has been completed.

... my child has travelled abroad from a country or territory that IS on the exempt list of countries.	If returning from a destination where quarantine is NOT needed: - Check the current Exempt countries and territories list to confirm the country you have travelled from or through is on the exempt list. - Ring school to inform us you have returned to the UK and agree a return date to school.	... you have informed the office of your return to the UK (<i>the office will ask you a few questions about your travel</i>).
...I have travelled from a country that requires us to quarantine (but my child didn't travel).	- As long as you do not have / have not had symptoms in the last 14 days, your child can continue to attend school. - The person who has travelled MUST NOT leave the house, including to do pick-ups and drop offs (<i>please contact school if you need support getting your child to school</i>).	...child can continue to attend school
...we have received medical advice that my child must resume shielding.	- Do not come to school. - Contact school to inform us. - Shield until you are informed that restrictions are lifted and shielding is paused again.	...school inform you that restrictions have been lifted and your child can return to school again. ...you receive medical advice that your child may return to school.
...my child's bubble is closed due to a Covid-19 outbreak in school.	- Child must not come to school. - Support your child at home with remote education provided by your school. - Your child will need to self-isolate for 14 days. - Other siblings may continue to attend school.	...school inform you that the bubble will be reopened.
... I am unable to get a test for someone in the household who has symptoms	If you are not able to get a test in the first 5 days of having symptoms, your child and anyone they live with must stay at home and self-isolate for 14 days. Anyone in your support bubble must also stay at home.	...the child has completed 14 days of isolation.
