

# Prince Albert PRIMARY SCHOOL

Wednesday 16<sup>th</sup> September

Reception Home learning

Dear parents/carers,

I hope you are all well. I am just writing to tell you about the home learning package we have put together for your child during their isolation.

On Monday, you should have received a home learning pack. Thank you to the parents that showed up to collect it. There was enough work in the pack for five days. However, from today we will be using the Microsoft TEAMS app to share learning that teachers have prepared and for some live sessions. The TEAMS app is free and very simple to use. I have attached a parent guide to this letter should you need it. I have also recorded a short demonstration video that you can access via the link below:

<https://youtu.be/mt4zdOC7eF8>

You should now have received the username and password via text message- please let the school know if you have not received this message

We have also set up class emails addresses so that parents and pupils can communicate with the teachers. Teachers will be available between 9.00 – 3.00 each day.

Addresses are as follows:

[Classrk@princealbert.bham.sch.uk](mailto:Classrk@princealbert.bham.sch.uk)

[Classrm@princealbert.bham.sch.uk](mailto:Classrm@princealbert.bham.sch.uk)

[Classrt@princealbert.bham.sch.uk](mailto:Classrt@princealbert.bham.sch.uk)

If you do not have access to Microsoft TEAMS we will still be making work packs which you will be able to pick up from school. Please let us know if you require a work pack so we can prepare one for you.

This will be the first time we have used Microsoft TEAMS in this way so please let us know if you encounter any problems.

Many thanks for your co-operation,

Miss Davies

Head of School
