

Thursday 25<sup>th</sup> February 2021

Dear Parents and Carers,

Following the government announcement, School is due to reopen to all pupils on **Monday 8<sup>th</sup> March**. The process of planning for this reopening and updating risk assessments is now well underway and I am writing to you with some important information regarding the preparation for this.

To enable us to appropriately prepare the building for a full reopening, **School will be closed to all critical worker and vulnerable pupils on Thursday 4<sup>th</sup> and Friday 5<sup>th</sup> March**. This will allow for staff training, deep cleaning of the site and preparation of learning spaces for Monday 8<sup>th</sup> March.

We have been very impressed by the engagement in home learning throughout the time that school has been closed and thank our School community for all that you have done to support this.

On **Thursday 4<sup>th</sup> and Friday 5<sup>th</sup> March** teachers will be involved in the preparations for reopening. Therefore, we have planned a series of activities linked to World Book Day for **Thursday 4<sup>th</sup> and Friday 5<sup>th</sup> March**. Your child's class teacher will still be online for registration and the setting of these tasks but will take time away from the remote learning platform for the rest of the day to allow for vital staff training and risk assessment preparations. During this time, children will work on the learning tasks and enrichment opportunities set.

Further information regarding the reopening of school from **Monday 8<sup>th</sup> March**, including start/finish times, breakfast club and other logistics will follow as soon as it is finalised.

We thank you for your continued support.

Yours faithfully,

Miss Davies  
Head of School
