Who's that potato?

Decorate a potato as a character from a book using paint. Be as inventive as you like. The potato does not have to be a character. It can be an object or scene or setting from a book. Please challenge yourself. Take a look at the pictures to get ideas –

Create a diorama based on a book

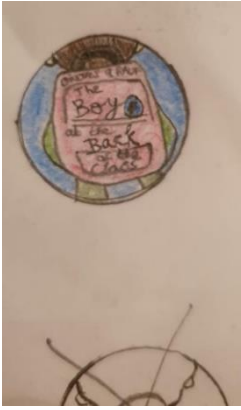

Use an old shoe box, some junk modelling materials and some paint to create a diorama based on a book. This could be a classroom for *The Boy at the Back of the Classroom*, a chocolate factory for *Charlie and the Chocolate Factory* or a scrap metal yard for *The Iron Man*. Take a look at the pictures for ideas –

Create 2p micro art.

Create 2p micro art

Create artwork based on a book the size of a 2p coin. Stick the artwork to the 2p coin to take a picture of and share with your classmates. Your artwork can be based on a scene, setting, character from a book. In my example, I have done the front cover of *The Boy at the Back of the Classroom*.

Story in a Jar

Create a scene in a jar based on a book of your choice. You can choose a book you are reading now, a childhood favourite or any other book you like. Use different craft supplies and junk modelling material to create your scene.
