Urgent letter for parents of Y6 pupils

Dear parents/carers,

We have been made aware that, across the Christmas break, a number of Year 6 pupils have been accessing apps and games such as Roblox and Discord and using them inappropriately. These apps have a PEGI rating of 13 and are not appropriate for Year 6 pupils. Although the internet can have a positive impact on all of our lives it can also cause many safety concerns when used inappropriately or when children access sites designed for older children or adults.

Can I please remind you that you need to monitor your child's use of the internet. If your child has access to their own device you can use parental locks to restrict access to inappropriate sites.

Please refer to the guidance, from November, on our school website.

[National Online Safety App](#)

If you need support to use the parental locks on your child's device please contact us and we will arrange for a member of staff to support you with this.

•Regards

Miss Davies
