RE: Everyone's environment

Dear Parents/Carers,

Last half term we welcomed parents and carers into school to a 'Meet the CEO session', the turnout was really impressive- thankyou. Parents were able to hear from Phillipa Sherlock-Lewis as she shared her vision for leading the school and were also given the opportunity to talk about what they thought was going well here at school and what they felt could be even better, there was a real buzz in the room as parents talked to staff about what was important to them and ways in which they could help us improve.

One of the common themes from your feedback was your dissatisfaction with the amount of rubbish that is around the school site. To begin improving this we would like to invite you to attend our 'EE - Everyone's Environment' event.

On **Thursday 7th December at 2pm** our newly appointed pupil leadership team will be working together with staff to begin work on clearing the area around the school site of litter. They will also be writing to Birmingham city council and will also write to our local councillor expressing their concerns.

We would really appreciate if you could join us as part of the clean up team to begin this important work and ask that you complete the attached slip to confirm your attendance. All slips to be returned to the school office by **Tuesday 05th December 2023**

All attendees will be provided with the appropriate equipment and light refreshments will be available at the end of the session.

We look forward to seeing you,

Yours sincerely,
Miss Cameron
Deputy Headteacher

I will be attending the Everyone's environment event on Thursday 7th December at 2pm
