RE: School lunch prices

Dear Parents and carers,

As we prepare for the new school year, I am writing to inform you of a change to our school lunch prices from the start of the Autumn term 2024.

As a school within the Prince Albert Community Trust, we have worked hard to keep meal prices manageable, with no increase to school meals in the last six years, even with increasing costs.

We are aware of the pressures on families so it is a priority to us to keep increases to a minimum, while covering costs to provide school lunches. We remain committed to offering high-quality meals that meet the nutritional needs of our pupils.

From September 2024 our meal prices will be £2.45 per day, which remains lower than many other schools locally.

We understand that any adjustment can be challenging, so could we again take this opportunity to ask parents who think they may be eligible for free school meals to speak to the school office for support.

Thank you for your continued support.
