Key skills

Share a story with your child.

- Name the features of the book.
- Look at the front cover, what do you think the story is about?
- Look at the pictures inside, name any objects they don't know the name of.
- What is happening in the pictures?
- Read the words to your child.
- Talk about the book, what was their favourite part?

Key skills

To brush our teeth morning and night, with increasing independence.

Children aged 3 to 6 years.

- Brush at least twice daily for about 2 minutes with fluoride toothpaste.
- Brush last thing at night before bed and at least on 1 other occasion.
- Parents or carers should brush the teeth.
- Use children's fluoride toothpaste containing no less than 1,000ppm of fluoride (check label) unless a dentist advises family toothpaste containing between 1,350ppm and 1,500ppm fluoride.
- Use only a pea-sized amount of toothpaste.
- Spit out after brushing and don't rinse – if you rinse, the fluoride won't work as well.
