

# Home Learning

Each week, complete the task from the relevant sections below to complete and bring in to share your learning!

**1** **WEEK 1**

Look at a world map and label the five oceans: Pacific, Atlantic, Indian, Southern, and Arctic. Where are they?

**2** **WEEK 2**

Write about why oceans are important to the planet.

**3** **WEEK 3**

Create a fact-file about ocean creatures.

**4** **WEEK 4**

Learn about coral reefs. Write about why they are important and where you might find them.

**5** **WEEK 5**

Research or ask an adult to help you learn about the deepest part of the ocean, the Mariana Trench.

**6** **WEEK 6**

The Great Barrier Reef is a place of great beauty. Sketch a picture of it.

**7** **WEEK 7**

Write a presentation about all the interesting things you have learnt about world oceans. Make it entertaining for the audience.
