Coronavirus update for parents

Dear Parents and Carers,

It has come to my attention that there are some misleading rumours circulating on social media and I am writing to explain to you how any cases of suspected coronavirus will be dealt with in school when the children return.

If your child **starts to** develop symptoms (high temperature, new continuous cough or loss or change to sense of smell or taste) in school, we will take immediate action as detailed below. Your child will **not** be taken to a testing centre.

Please ensure that if there has been a change to your two main contact telephone numbers, you call the office on 0121 327 0594 or email us at enquiry@princealbert.bham.sch.uk immediately. This will ensure that we can contact you without delay.

Please do not send your child to school if they are unwell, even if their symptoms are mild.

Yours faithfully,

Miss M Davies
Head of School
