

5th May 2021

Dear parents,

I hope you are all keeping well during this Summer Term. As you will be aware historically, we have been talking about changing our Catering Provider and as such we previously invited children in for tasting sessions. The change was delayed due to the impact of COVID, however I am pleased to confirm that we have reached a decision on this change, and we have a new provider working with our Schools.

Our new provider will supply a range of tasty, nutritious, and healthy balanced meals for our children using fresh ingredients. They have also confirmed that any meat used will continue to be HMC certified.

As with any change there may be some teething problems, so we would ask you to please bear with us but any feedback you have would be greatly appreciated.

Further information will be sent out later in the Summer Term, in preparation for the next School Year.

Yours sincerely

Miss Davies
Head Teacher
