

Prince Albert PRIMARY SCHOOL

9th November 2023

Dear Parents/Carers,

Welcome back to the start of the second half of the Autumn term. It has been fantastic to see how you continue to support your children and the school community – thank you.

As you are aware, the safety of our pupils is extremely important to us and so with this in mind, we'd like to share some reminders and tips with you to ensure that we can continue to work together in keeping this at the forefront of all we do.

It has come to our attention that there have been a few incidents where our pupils have been put at risk by unsafe driving and parking around the school site. Whilst we ensure that senior leaders are always available outside to support in the safe arrival and departure of our pupils, we continue to need your help in ensuring this improves.

We ask that **no parents/carers park outside the school site** on the clearly marked double yellow lines not only is this illegal it also impacts the safety of the children and their ability to enter the school site safely. 'Do not stop or park: near a school entrance- Highway Code 243'

Where possible, we would encourage families to walk to school. Not only does this mean there are fewer cars around the school site but it's also a great opportunity for the whole family to get in some exercise together and reduces your carbon footprint.

We understand that for some of our families that live a little further away from school, walking is not an option. Why not try leaving home a little earlier and parking a little further away from school and walking in? This will both ease road congestion around the school site and give you an opportunity to catch up with your child about their school day before getting back into the car.

I am sure you all appreciate how important it is that this continues to improve and would ask that each member of the school community plays their part in ensuring that this happens.

Yours sincerely,

Miss Cameron
Deputy Headteacher
Prince Albert Primary School
