W/C 12/02/2024 - Homework project			
<p>Research the planes that were used during WW2, both German (Luftwaffe) and British (Royal Air Force). What was the same, what was different about these planes? Which were more powerful? Using this research, make a model plane using recycled materials. Think about the detail on the planes.</p> <div style="text-align: center;">   </div>
